AVAILABLE ON
WatchTVEverywhere

With WatchTVEverywhere and GBT Internet, you can watch online content from networks that are part of your TV subscription from anywhere!

WHAT IS STREAMIT?

GBT StreamIT is a fully-featured, streaming TV app that you download and install on your favorite streaming media devices including Apple TV, Amazon Fire TV, Android and many other devices. Instead of having to rent your cable box from GBT, you now have the option to access your subscription TV service via an app that runs on your equipment.

Go to www.watchtveverywhere.com

Select your TV provider: **GBT Communications, Inc.**

Select **Register** on the Home Page

You will need 2 pieces of information to register: Your account number (with the leading zeros found in the upper right-hand corner of your GBT bill, and correct spelling of last name that is listed on your GBT bill (If you are a business, you will need to put the full name exactly how it appears on your GBT bill).

You will get an email verifying your email address and you are ready to go! To watch shows on your computer, you will simply select the station on the WatchTVEverywhere homepage, and it will take you to the station's website. For cell phone and tablet use, you will want to download the respective station's app.
